Young Scientist Awards / Young Scientist Best Paper Awards on the Occasion of the Kleinheubacher Tagung 2017

As part of our continuing commitment to supporting the next generation of up and coming researchers, we will present up to 15 scholars with the *Young Scientist Award* and three with the *Young Scientist Best Paper Award* during the course of the conference.

The selection of Young Scientist Awards (YSA) recipients will be based upon an examination of the documents submitted. Besides originality and creativity, form and clarity of the presented works will be assessed. The YSA includes a certificate, a waiver of conference fees, and a

Prize money in the amount of 300 €.

All YSA recipients are required to give a talk within the scope of the regular conference program. Moreover, they are invited to present their works at a special YSA Poster Session. At that the posters are going to be assessed and rated by an Award Committee. The top three works will be awarded a Young Scientist Best Paper Award (YS-BPA). In addition to a certificate, the recipients will receive

1000 €	(1 st Prize),
750 €	(2 nd Prize), and
500 €	(3 rd Prize).

All YSA und YS-BPA recipients will be honored at a solemn awards ceremony during the closing event of the Kleinheubacher Tagung 2017.

Terms of Eligibility

Scientists born 1984 or later holding a Diploma or Master degree at the minimum are invited to apply. The following documents, to be written in German or English, are to be submitted via <https://edas.info/23618> under the category "Young Scientist Award" by no later than **June 10, 2017**:

- a) Extended Abstract (3 pages; ARS style; template at http://www.advances-in-radio-science.net/for_authors/manuscript_preparation.html),
- b) Supplementary documentation (one pdf file), consisting of
 - Curriculum vitae and
 - One letter of recommendation (1 page maximum) from a scholarly person (e.g., the Ph.D. advisor) or a Member of the URSI Landesausschuss in der BRD.

All applicants will be notified by **August 10, 2017**.
